### From Trier via A1 / A8

Take the A1 towards Saarbrücken until you reach the Saarbrücken motorway junction. Then take the A8 towards Neunkirchen / Pirmasens until you come to the Kohlhof / Bexbach exit. Follow the signs for Bexbach (turn right and then immediately left), which will take you to the A8 going in the opposite direction. Stay in the right-hand lane since this becomes the exit lane for Bexbach, where you should turn off the motorway. Now follow the signs for Bexbach. In Bexbach stop at the traffic lights on the inside right. At the roundabout turn off towards Oberbexbach and then after about 700 m take the road on the right signposted to the Saarpfalz-Park (industrial park). When you get there turn right. SYBORG is in the second building on the right-hand side.

### From Kaiserslautern via A6

Take the A6 towards Neunkirchen as far as the Bexbach exit and then follow the signs for Bexbach. At the roundabout in Bexbach take the turn-off towards Oberbexbach and then after about 700 m take the road on the right signposted to the Saarpfalz-Park (industrial park). When you get there, turn right. SYBORG is in the second building on the right-hand side.

### From Saarbrücken via A6

Take the A6 towards Neunkirchen. After the Neunkirchen motorway junction take the Bexbach exit and then follow the signs for Bexbach. At the roundabout, turn off towards Oberbexbach and then, after about 700 m, take the road on the right signposted to the Saarpfalz Park (industrial park). When you get there turn right. SYBORG is in the second building on the right-hand side.

### From Karlsruhe via A8

Take the A8 towards Neunkirchen as far as the Bexbach exit (next exit after the "Neunkirchen" junction). Now follow the signs for Bexbach. In Bexbach stop at the traffic lights on the inside right. At the roundabout turn off towards Oberbexbach and then after about 700 m take the road on the right to the Saarpfalz-Park (industrial park). When you get there, turn right. SYBORG is in the second building on the right-hand side.

... for better interception
